

Coronavirus Update

Information for ACC students

Wednesday 15th April 2020

I hope you are managing to have a good break and that you are ready to resume your learning next week.

Before Monday, please can you make sure that all of your existing assignments are completed and you have submitted them to your tutor.

As you know, and still following Government guidelines, we are starting the delivery of your online course next week due to our campuses being closed. Your tutor has now sent you the information about your course, with your timetable, to **your college email address**. Please make sure you check this today so you are aware of your course plans.

You will need to attend online sessions to complete your studies and achieve your qualification. Your attendance will be marked as usual and you will be contacted if you are absent. Please be on time to sessions and try your absolute best in the current strange situation. You are still very much part of Access Creative College and we are committed to delivering the course we promised you to the best of our ability even in these unprecedented times.

Please look at the information emailed to you and make sure you know what sessions you have to login to and when they will take place. If you are uncertain, please contact your tutor by email and they will be happy to help.

If you are experiencing any IT issues and need some assistance, please log a support ticket with it.support@accesscreative.ac.uk and somebody will get back to you urgently.

Best wishes,

Matthew Newbould
Director of Education
